“...FOSTERING  
TRUST, UNITY,  
MUTUAL  
RESPECT AND  
KINSHIP.”

## Assalaamu'alaikum Warahmatullahi Wabarakatuh

In the name of Allah, the Most Beneficent,  
the Most Merciful.

As we look back on 2018, MCAS recognises the importance of maintaining a harmonious balance between the different ethnic groups and various faith groups, especially in a climate where personal opinions are openly expressed in the public sphere through various platforms such as social media. Against this backdrop, we must be reminded to retain our Singaporean identity which we have worked so hard to achieve, especially the harmony we have built amongst the different communities through fostering trust, unity, mutual respect and kinship.

With the intention to strengthen and continue our collective efforts in maintaining peace and harmony through the light of Islam, MCAS continues to foster beneficial relationships with other like-minded organisations. Alhamdulillah, we are proud of our achievements this year as we have conducted new initiatives and partnered with organisations that we have not previously worked together with, and hence widened our outreach.

We took a step forward by engaging a sign language interpreter to be present at our public talks to translate speeches and presentations into sign language. The talks featured prominent international speakers who addressed contemporary issues affecting the understanding of Islam as well as the universal message of Islam. This initiative which saw us collaborating with the Singapore Deaf Muslim Community (SDMC) opened doors for the deaf and hard-of-hearing community as it gave them the opportunity to acquire beneficial knowledge while interacting with others.

As an association that works with Converts from different ethnicities and diverse backgrounds, we took the opportunity to play a pivotal role in raising awareness to ensure that Muslim orphans are well taken care of and raised according to Islamic principles. For the first time, in support of the Foster Care Week 2018, we invited speakers from Epworth Foster Care to share with our audience about fostering and its benefits to the community.

Our youth support programmes included engaging students from Madrasah Aljunied Angklung Ensemble to perform at our Official Iftar, and we provided a study space to children of MCAS members who were sitting for their GCE O-Levels during the examination period.

Other new initiatives included the Inaugural Faithathon 2018 – a hackathon competition, infusing both Islamic and Da'wah elements, where we engaged youths to develop creative and sustainable solutions to social issues faced by the Muslim community. This project was spear-headed by our YODA volunteers and it is through these involvements that we hope to mould and create our future leaders.

Several initiatives were conducted during Ramadhan where we collaborated with individuals, organisations and well-known commercial enterprises to reach out to the community. During The Ramadhan Zakat Disbursement, we assisted over 500 families who are on our Financial Assistance (FA) programme. The event which was graced by Minister of State, Dr Mohamad Maliki Osman, gave us the opportunity to uplift the poor, help those who were troubled and comfort those who were in hardship. Volunteers from Project Reaching Out (PRO) also organised a Ramadhan Charity Drive where they distributed essentials such as clothes, books and toys, as well as food and beverages, to these FA clients.

For our annual community service project Meals on Wheels, we collaborated with organisations to engage their volunteers to pack and deliver charity packages to 160 families, consisting of both Muslims and people of other faiths. Mr Desmond Lee, Minister for Social and Family Development & Second Minister for National Development was in attendance to cheer on the teams as they kicked-off the event. Some of the organisations involved were Singapore Indian Development Association (SINDA), Darul Ma'wa Singapore, Abam-Abam Van Singapura and Have Halal Will Travel.

In conjunction with Eid al Adha, a Qurban Meat Distribution Drive was organised to distribute the meat to the less fortunate in our community. Our hope through this initiative is to share the joy and spirit of this occasion while also adding merriment to their celebrations.

In summary, 2018 has been a successful year as we have further strengthened ties with our partners, sponsors and donors, whose dedication, commitment and passion, have helped to make the good work of MCAS possible.

We would like to recognise and sincerely thank our loyal and committed Staff, Members, Volunteers and Board Members for their hard work this year. Their collective efforts have enabled us to accomplish positive achievements in our mission to do Da'wah, whilst being a pillar of support and help for the community.

Our work is far from complete – we humbly ask for your continued support and cooperation as we continue on this journey to bring the Association to greater heights. We pray to be continuously given opportunities to contribute positively to, and in harmony with the community, while upholding, through our efforts and actions, the Islamic message of peace and excellence together, In Sha Allah.

# CONVERSION AT MCAS

## ONE-STOP CENTRE FOR CONVERTS (OSCC)

### Total Number of Conversions

In 2018, OSCC continued to facilitate the issuance of conversion cards, reimbursement of fees for transport, circumcision, and the charges incurred upon insertion of Muslim name in the identity cards for Singaporeans.

All converts and prospective converts were encouraged to attend the Knowing Islam Session (KIS), the Beginners' Course on Islam (BCI), and the Let's Pray (LP) course. Upon completion of their courses, future converts can make an online registration for their dates of conversion.

On the day of conversion, the converts are personally invited to participate in the upcoming activities, to continue attending courses to further gain knowledge in Islam and attend the talks that are organised by MCAS.

Our fellow Befrienders during their Teh-Tarik session.

Welcome to Islam Programme: Visit to Hajjah Fatimah Mosque and Assyakirin Mosque.

## PROJECT TOUCHING HEARTS (PTH)

The Project Touching Hearts (PTH) was a support programme for prospective Converts attending the Beginners' Course in Islam (BCI). The Befrienders underwent training to be equipped with the essential skills for befriending and to help address issues regarding conversion and basic queries on Islam. PTH randomly followed the Tuesday, Wednesday, Thursday or Saturday of the BCI cycles. Over 10 weeks for every cycle, different topics were discussed weekly and the Befrienders encouraged the prospective Converts to continue attending other classes and workshops to benefit their journey in Islam.

### Befriending Cycle

■ Befrienders  
 ■ Born Muslim Befriendees  
 ■ Non Muslim/Converts Befriendees

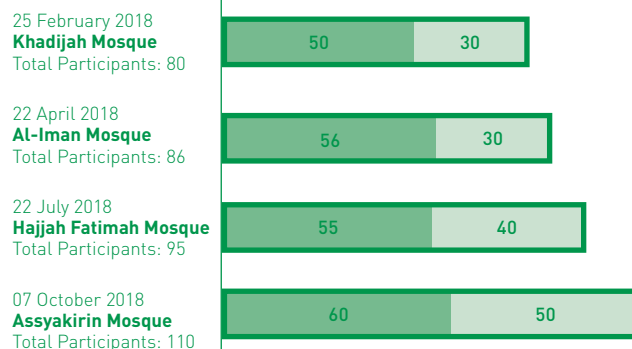

## WELCOME TO ISLAM PROGRAMME (WTI)

It encouraged new Converts and their families to be at ease with other Muslims through socialising and interactions about their journey towards Islam. In the WTI programme, Converts were introduced and invited to MCAS classes, social visits to Mosques/Islamic organisations, participate in workshops, and other enrichment activities.

## OTHER ENRICHMENT PROGRAMME

Apart from modular courses, additional courses that are longer in length and contents were held for enrichment purposes. In 2018, the following courses were conducted.

### 01. The Encompassing Epistle

This class was designed to equip students for personal practice and to prepare them for more advanced studies. Participants learnt about the essential creed, acts of worship, and moral behaviours that are considered important personal obligations (*Fardhu Ain*) for all Muslims.

### 02. Understanding the Quran

This course gave participants the opportunity to discover the wonders of the Qur'an, to ponder on the greatness of the message of Allah and the beauty and greatness of Allah, Who revealed the Quran. This is in-line with the verse of Allah in Surah Al-Ghafir verse 64: "Allah is He Who made the earth a resting-place for you and the heaven a canopy, and He formed you, then made goodly your forms, and He provided you with goodly things; that is Allah, your Lord; blessed then is Allah, the Lord of the worlds." – Quran 40:64.

### 03. The 40 Principles of the Religion

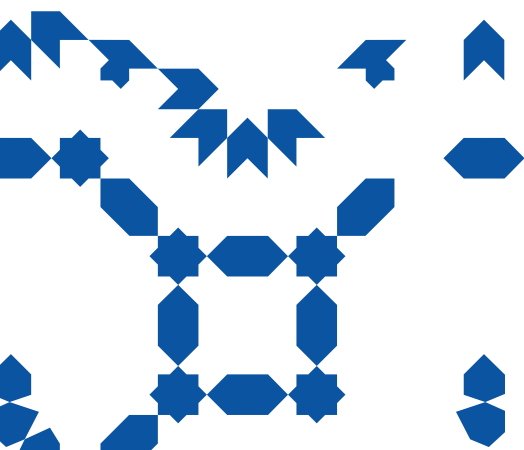

The '40 Principles of The Religion' is a comprehensive distillation of Imam Al-Ghazali's magnum opus, *Ihya' Ulum Al-Din* (The Revival of Islamic Sciences), where he explored the spiritual depth of every aspect of Islam. This work presented Imam Al-Ghazali's profound insights regarding man's lifelong struggle to draw closer to God in a simple framework, providing the reader with a step-by-step, tried and proven method for spiritual development.

### 04. The Book of Assistance

This class was based on the book "The Book of Assistance" by Imam Abdullah Ibn Alawi Al-Haddad, a renowned scholar. There are many books in English that present the topic of purification (Tazkiyah), but few that can be used as practical travel guides along the Spiritual Path. Originally written in classical Arabic, this volume is in widespread use among teachers in Arabia, Indonesia, and East Africa; its devotions, prayers, and practical ethics are invaluable as a guide to internalise the teachings of Islam.

### 05. Stories of The Prophets

This class was based on the book 'Stories of the Prophets' written by Imam Al-Hafiz Ibn Kathir. The book contains true accounts of the pious lives of the Prophets, their exemplary way of life, their sacrifices in the name of Allah, their proclamation for the Message of Allah, reminding the people to follow the right path and forbidding evil.

## 06. 99 Beautiful Names of Allah

Imam al-Ghazali is a scholar par excellence in the world of Islamic literature. In this book, a comprehensive English edition is presented for the pursuit of knowing Allah. Taking up the Prophet's method of expounding Allah's 'Ninety-nine Beautiful Names', Imam al-Ghazali reveals the meaning of each divine name and explores their relations to both the cosmos and the soul, from a spiritual perspective.

## 07. Fiqh For Ramadan

This course focused on the rulings pertaining to the fasting month of Ramadan. This included the essentials on how to carry out the fasting, the praise-worthy acts, and the search for the 'Lailatul Qadar' (Night of Magnificent).

## 08. Umrah Course

In this course, the trainer shared the tenets of Umrah (Minor Pilgrimage), including the intentions, actions and supplications that one performs to maximise their days of Umrah.

## 09. Hajj & Umrah Course

In this course, participants experienced the theoretical and the practical lessons on how to perform the Hajj (Major Pilgrimage) and Umrah rituals.

## 10. Funeral Management Workshop

The Funeral Management Course discussed subjects related to death and the factors within a Muslim funeral. Participants learnt the theory, as well as the practical aspects, of managing a jenazah (deceased), right from the time of the passing until the burial. ## MAGAZINES

### THE MUSLIM READER

The Muslim Reader (TMR), MCAS flagship magazine, provided relevant information to the new Muslims, who were in tune to learn more about their faith, and to the English-speaking members of the Muslim community. TMR was distributed to members of MCAS, to new Converts through the Conversion Kits, as well as to the participants of selected events and programmes. The 2017/2018 edition was available for sale at the English Islamic Bookshop for \$6.00 per copy and was also accessible online at [www.mcas.sg/themuslimreader](http://www.mcas.sg/themuslimreader). The 2018/2019 edition of TMR is scheduled for release at the end of 2019.

### TEENS CROSSROADS

Teens Crossroads (TC) was the magazine for teens that opened their eyes to the colourful issues facing youths of today, from newly emerging social trends to exciting sporting events and influences of technology. TC focused on the positives of youth activities while recognising their problems and search for solutions. The two editions of 2018, with a circulation of 5,000 copies, featured cover articles entitled “Understanding Depression” and “Our World, A Market-Place” respectively. Available for free, TC was distributed to various secondary schools, tertiary institutions, madrasahs and mosques islandwide. It was also available at MCAS bookshop, reception and Al-Mawrid Resource Library.

### RENDITION

RENDITION marks another milestone in the Association’s efforts to reach out to the community. The pocket-sized newsletter was inspired by the idea to spread the spirit of Islam in practice, especially by sharing the news on and around MCAS regularly with our friends and supporters. With a circulation of 2,000 copies, three editions were published in 2018 and were available online and in hard copy at selected locations.

## SOCIAL MEDIA

In order to increase MCAS outreach, we revamped our social media for a more identifiable online presence. In 2018, we developed new, differentiated identity in the minds of our stakeholders by re-designing our posters - through elements which are consistent and instantly recognizable. We adopted colour schemes to differentiate the various programmes that we offer, and created design templates for the different platforms i.e. Facebook, Instagram as well as our website.

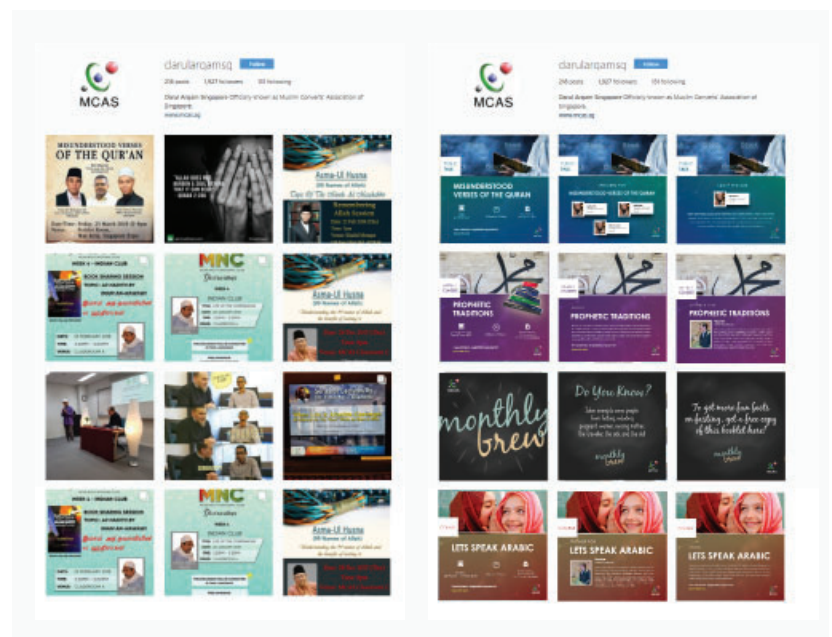

As at 31 December 2018, there were about **2,751 followers** subscribed to our **Instagram** page and **22,090 followers** on **Facebook**.

Our social media can be found via these links:

## CITY CORNER PROJECT (CCP)

The City Corner Project was aimed at making MCAS' free Islamic brochures and literature available to the public at locations where non-Muslims, including tourists, might frequent. To reach out deeper into the heartlands of Singapore, new locations including satellite mosques, were added. The publications could also be helpful for the born Muslims who wished to return to Islam or upgrade their knowledge of the religion.

The new additions in 2018 to this project were: Yi Zun Beef Noodle, Ghufuran Mosque and Assyakirin Mosque.
