President's Message

Assalamua'laikum Warahmatullahi Wabarakatuh
(May peace be upon you)

Bismilla-Hirrahma-Nirrahim
(In the name of God, the Most Beneficent, the Most Merciful)

In the year 2017, the religious landscape in Singapore continued to be upheld by elements of harmony, trust, and mutual respect between the various faith groups. Alhamdulillah, MCAS is blessed to be a part of the nation's collaborative efforts in building the bridge of peace, despite the current global atmosphere that regularly endures challenges posing as threats and creating fears amongst citizens in other parts of the world.

Reviewing the past year, MCAS had worked hand-in-hand with several partners for our major events. The Ramadhan Zakat Disbursement, graced by then Speaker of Parliament and current President of Singapore, Madam Halimah Yacob, presented us with the opportunity to have established and well-known commercial enterprises come on board with their philanthropy as sponsors for the Financial Assistance programme.

For Meals on Wheels, our annual community service project run by the youth students and volunteers, Ms Tin Pei Ling, Member of Parliament for MacPherson SMC, warmly accepted our invitation to grace the event as Guest-of-Honour. We also had the opportunity to collaborate with Chinese Development Assistance Council (CDAC) and engage their volunteers to be part of the team that packed and delivered the charity packages to the beneficiaries for the Meals on Wheels drive. These collaborations indeed widened the outreach of our social and financial welfare efforts, as well as strengthened our friendly bonds with our neighbours, partners, and especially, our friends of other faiths.

In terms of providing opportunities and quality contents in Islamic learning for the past year, MCAS had focused on students who were keen to progress towards higher learning through our enrichment programmes. The relevant and up-to-date courses had been designed especially to cater to the understanding of the new Muslims. A third of the enrichment courses were based on English translations of authentic books by renowned scholars and these courses added fervour towards selected disciplines of the faith and encouraged in-depth learning of the various aspects of Islam.

Our service for the past year also included dedicated social support and programmes to help the new Muslims in their transition and discovery of the new aspects of life as Muslims. As they created new chapters in their lives, the new Muslims were also exposed to specialised workshops, sharing sessions, and short courses by MCAS that aimed to help enrich their knowledge and add to their life experience as a new member of the Muslim community, as a new husband/wife, and as a new son/daughter-in-law.

MCAS recognised the need to activate its mission through creative and relevant ways. As we strive in our cause to impart and uphold Islam in behaviour and in spirit, to the best of our human abilities, we seek Allah's Guidance, Mercy, and Love, to lead and bring us forward in unity as we overcome all difficulties with steadfastness, in the straight path of Islam.

"And hold firmly to the rope of Allah all together and do not become divided. And remember the favour of Allah upon you - when you were enemies and He brought your hearts together and you became, by His favour, brothers." (*Translation of Surah Al-Imran, or The Family of Imran, 3:103*)

We humbly request the continued support and cooperation of our members, donors, community partners, and members of the public, as MCAS moves forward. Please include us in your prayers so that our efforts collectively bring out the best for the Islamic community, the best for humanity, and the best in all of us as practising Muslim individuals.

Wassalamu'alaikum Warahmatullahi Wabarakatuh

ONE-STOP CENTRE FOR CONVERTS (OSCC)

In 2017, MCAS as a One-Stop Centre for Converts continued to facilitate the issuance of Conversion Cards and reimbursement of fees for transport, circumcision, and the charges incurred upon insertion of Muslim name in the identity cards for Singaporeans.

All Converts and prospective Converts were encouraged to attend the Knowing Islam Session (KIS), the Beginners' Course on Islam (BCI), and the Let's Pray course. Upon completion of their courses, prospective Converts can register online to make an appointment for conversion.

On the day of conversion, the Converts were personally invited to participate in the upcoming activities, to continue attending courses to further gain knowledge in Islam, and to attend the talks that would be organised by MCAS.

PROJECT TOUCHING HEARTS (PTH)

The Project Touching Hearts was a support programme for prospective Converts attending the Beginners' Course on Islam (BCI). The Befrienders underwent training to be equipped with the essential skills for befriending, and to help address issues regarding conversion and basic queries on Islam. PTH randomly followed the Tuesday, Wednesday or Thursday BCI cycles. Over 10 weeks for every cycle, different topics were discussed weekly and the Befrienders encouraged the prospective Converts to continue attending other classes and workshops to benefit their journey in Islam.

WELCOME TO ISLAM PROGRAMME (WTI)

The Welcome to Islam (WTI) programme was developed primarily to facilitate interaction amongst new Converts and other volunteers. It encouraged new Converts and their families to be at ease with other Muslims through socialising and interactions about their journey towards Islam. In the WTI programme, Converts were introduced and invited to MCAS classes, social visits to Mosques/Islamic organisations, participate in workshops and other enrichment activities.

OTHER ENRICHMENT PROGRAMME

Apart from modular courses, additional courses that are longer in length and contents were held for enrichment purposes. In 2017, the following courses were conducted.

1. The Encompassing Epistle

This class was designed to equip students for personal practice and to prepare them for more advanced studies. Participants learnt about the essential creed, acts of worship, and moral behaviours considered as important personal obligations (*fardhu ain*) for all Muslims.

2. Imam Bukhari's Al Adab Al Mufrad

This book dealt solely on the subject of moral etiquette in Islam and was in congruent with what Prophet Muhammad (pbuh) said: "Verily, I was sent to perfect the noble traits of Character."

3. Jewels of the Quran

In his book, 'Jewels of the Quran', Imam Al-Ghazali divided verses of the Quran into those relating to knowledge of God and those relating to humanity's obligation to God.

4. Understanding the Quran

This course gave participants the opportunity to discover the wonders of the Qur'an, to ponder on the greatness of the message of Allah and the beauty and greatness of Allah, Who revealed the Quran. Surahs covered in this course were Al-Fatihah and the 30th Juzu' (part) of the Quran.

5. The 40 Principles of the Religion

The '40 Principles of the Religion' is a comprehensive distillation of Imam Al-Ghazali's magnum opus, 'Ihya' Ulum addin' (The Revival of Islamic Sciences), where he explored the spiritual depth of every aspect of Islam. This work presented Imam Al-Ghazali's profound insights regarding man's lifelong struggle to draw closer to God in a simple framework, providing the reader with a step-by-step, tried and proven method for spiritual development.

6. The Beginning of Guidance

The book, 'The Beginning of Guidance', by Imam Al-Ghazali is a highly motivational manual detailing the fundamentals of acquiring guidance through *taqwa* (God-consciousness). Imam Al-Ghazali argued that just as there is an end to this noble objective, there is also a beginning to it, which must be made firm for one to achieve success. This book expounds the fundamentals of this 'beginning'. As a result, a concise and to-the-point manual was laid out in the form of a detailed daily timetable providing the reader inspiration and heart-rending counsel.

6. Letter to a Disciple (Ayyuhal Walad)

"Work for your terrestrial life in proportion to your location in it, and work for your afterlife in proportion to your eternity in it." This was part of the advice that the great scholar, Abu Hamid al-Ghazali, put down in his Letter to a Disciple. As response to a request by a disciple, the book mainly covered ideas on acquiring and acting on knowledge, referring extensively to the example of the Prophet (pbuh).

7. Stories of the Prophets

This class was based on the book, 'Stories of the Prophets', written by Imam Al-Hafiz Ibn Kathir. The book contains the true accounts of the pious lives of the Prophets, their exemplary way of life, their sacrifices in the name of Allah, their proclamation for the Message of Allah, reminding the people to follow the right path and forbidding the evil things.

8. Quran Phonetics in Mandarin

Conducted in the Mandarin language, this course covered details from the basics of the 28 Arabic letters to the rules of proper articulation, intonation, and emphasis that shape the beautiful recitation of the Quran.

9. Fiqh for Ramadan

This course focused on the rulings pertaining to the fasting month of Ramadan. This included the essentials on how to carry out the fasting, the praise-worthy acts, and the search for the 'Lailatul Qadar' (Night of Magnificent).

In this course, participants experienced the theoretical and the practical lessons on how to perform the *Hajj* (Major Pilgrimage) and *Umrah* rituals.

12. Funeral Management Course

The Funeral Management Course discussed subjects related to death and the factors within a Muslim funeral. Participants learnt the theory, as well as the practical aspects, of managing a jenazah (deceased), right from the time of the passing until the burial. Participants also learnt about the signs of death or near death, and the preparation needed when facing these moments.

13. Islam & Astronomy

15. Fiqh for The Sick

In this course, participants were introduced to the concept of rukhsah (concessions with regards to rulings) on particular issues faced by Muslims when they fall sick. Participants learnt how to carry out their ibadah (worship) e.g. ablution and prayers when admitted in hospitals, based on the circumstances of their health.
